Dear Sirs,

I've worked with Ken and his crew for over a decade. In that time I have found them to be hard working and dedicated to helping me achieve my commitments (of both quality and schedule). Ken is one of the most honest individuals I have ever worked with. I like the fact that I'm not "nickelled and dimed" with change orders when they're on board. I can count on Ken to be fair as far as extras and I feel confidence that the job is being performed on time and correctly.

I wish more contractors had the consistency and integrity that Ken and his team show in their day to day work. I truly feel they're part of my team.

Sincerely,

Rob Mauldin
